

## Pichle Das Saal, Anyaay Kaal !

10 years of grave injustice – ANYAAY- by BJP Govt has severely hurt our people, our Democracy, and our Constitution. Unprecedented Unemployment has completely shattered the dreams and future of our youth. The backbreaking Price Rise has extinguished the hard-earned savings of our poor and middle-class. Income Inequality is at its peak. A handful of Billionaires rule and puppet the present dispensation. SCs, STs, OBCs, Minority and the Poor have been systematically discriminated against. Farmers have been betrayed. Women have been deceived. All autonomous institutions have been strangulated and subjugated. Use of ED, CBI, IT against Opposition, to illegally overthrow elected governments have become a norm. Laws are made by suspending the entire Opposition. National Security has been grievously endangered by giving Clean Chit to China. Social, Economic and Political lives of citizens have been destroyed through a noisy din of Jumlas, PR Stunts, Glitzy Events and Sabotaging Institutions.

The long list of Modi Govt's INJUSTICES in the past 10 years, have made People of India to suffer enormously –

### **2. Mehangai – Price Rise Hurts!**

- Petrol, Diesel, LPG, CNG, Atta, Dal, Rise, Cooking Oil, Milk – everything has become expensive.

- We are assembling mobile phones using parts imported from China and claiming, "Make in India"!
- MSMEs have been burdened by high costs after the ill-planned GST & Demonetisation.

## 8. Garib Pe Vaar / Inequality / Poonjipatiyon Ki Sarkar / Public Sector

- PM Modi has facilitated Adani's loot of India by handing over monopolies in ports and airports, letting it overcharge consumers for electricity and to use this stolen money to pump up its stock prices under SEBI's eyes, a scam worth at least Rs 32,000 Cr.
- The richest one per cent in India now own more than 40 per cent of the country's total wealth, while the bottom half of the population together share just 3 per cent of wealth.

## 9. China / Agniveer / Terrorism

- PM Modi gave a clean chit to the Chinese on 19 June 2020 with his statement 'Na koi hamari seema mein ghus aaya hai, na hi koi ghusa hua hai.' This was a grave insult to our soldiers and severely damaged our stance after 18 rounds of military talks and contributed to continuing Chinese control of 2,000 square km of fresh Indian territory.
- The Agnipath scheme, that former Army Chief General MM Naravane revealed was foisted on the Armed Forces by the PM, has weakened our security and shattered the hopes of lakhs of Indian youth by dramatically reducing the intake of soldiers.
- Despite many hollow promises of normalcy, the number of terrorist attacks on our soldiers in Kashmir has been increasing; some terrorists have been found to have disturbing links with the BJP.

## 10. Loktantra ki Hatya - Demolishing Democracy!

- Opposition-led state governments in Arunachal Pradesh, Goa, Karnataka, Madhya Pradesh, Maharashtra, and Manipur fell after the BJP used blatant money power and threats of investigation by ED and CBI to induce MLAs to switch; 95% of ED and CBI investigations since 2014 have been against opposition politicians.
- The Election Commission of India has been rendered toothless; it refuses to act on violations by the BJP and PM Modi, while cracking down on opposition infractions.
- 146 Opposition MPs were suspended to bulldoze 3 controversial Laws changing the Criminal Procedures of the country.

**Modi Govt and BJP-RSS does not want INDIA to see the REALITY.**

**But INDIA has now realized that it shall raise its VOICE, together, in a powerful manner in the forthcoming 2024 Elections through the - BHARAT JODO NYAY YATRA led by our leader, Shri Rahul Gandhi ji.**

**INDIA will fight - Nyay Ka Haq Milne Tak!**
