I emulated the paths laid down by my father Late Shri Amarsinh Bhilabhai Chaudhary, first Tribal Chief Minister of Gujarat. In the career span of 20 years, I have garnered good rapport and support in the tribal belt that comprises 15% of population of Gujarat State. I have actively campaigned and performed all the duties assigned to me with dedication and responsibility. The only One Tapi District Panchayat in Gujarat won by Congress party belongs to 23-Bardoli Loksabha in 2010.
